1<sup>st</sup> Place Winner, Photowork 2011

**Photowork** is a premier regional exhibition of new photographic images. The show is visited by art appreciators from a five-county area including parts of Connecticut and New York City. As a national show, this exhibition brings together photographers from across the country with artists from 30 to 40 states represented each year.

The spirit of the show is a juxtaposition of traditional styles and cutting edge images. The show celebrates the photograph both as FINE ART and as SOCIAL COMMENTARY. Winners in the past have included traditional 35mm photographs, silver gelatin prints, digital prints and even pinhole camera pictures! Cash prizes are awarded.
